DETAILED ACTION

Continued Examination Under 37 CFR 1.114

1. A request for continued examination under 37 CFR 1.114, including the fee set forth in 37 CFR 1.17(e), was filed in this application after final rejection. Since this application is eligible for continued examination under 37 CFR 1.114, and the fee set forth in 37 CFR 1.17(e) has been timely paid, the finality of the previous Office action has been withdrawn pursuant to 37 CFR 1.114. Applicant's submission filed on 02/26/09 has been entered.
2. Claims 7 and 21 have been amended.
3. Claims 14-20 have been cancelled.

Reasons For Allowance

4. The following is an examiner's statement of reasons for allowance:

The prior arts of record fail teach or render obvious "a third memory element for accumulating ones of the row and column addresses of the failed memory cells not already contained in said first and second memory elements and for assigning each of the row and column addresses accumulated in said third memory element a particular weight value based on the number of the row and column addresses already accumulated in said third memory element and the relative locations within the memory system of the row and column addresses accumulated in said third memory element" of the claimed invention.

Therefore, claims 7-13 and 21-26, renumbered as 1-13, are allowable.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Conclusion

5. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Exr. Merant Guerrier whose telephone number is (571) 270-1066. The examiner can normally be reached Monday through Thursday from 10:30 a.m. to 3:30 p.m.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Jacques Louis Jacques, can be reached on (571) 272-6962. Draft or Informal faxes, which will not be entered in the application, may be submitted directly to the examiner at (571) 270-2066.
